REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicant's arguments, particularly with regard to the inclusion of TPP which is argued to not be a component of the cited prior solutions, are persuasive of the novelty and unobviousness of the claimed solution.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
